

Tempo

The unique features of reclaimed Teak are enhanced by a special erosion process, accentuating the natural grain of the timber. The aged feel of the wood is contrasted with contemporary design, and then washed in subtle shades of grey in order to create the excellent Tempo Collection.

Luccia

The reclaimed Teak, block construction of Luccia lends itself to fantastic geometric design features which give the collection a look of furniture many times more expensive than is the reality. The beautiful hand finishing in natural white Monocoat, which is pleasingly practical, completes the experience.
